

## Workshop on Innovation Service and Application of Cloud and IoT

### Call for Papers

The 2019 Workshop on Innovation Service and Application of Cloud & IoT (WISACI 2019) conjunction with NCS (National Computer Symposium) 2019 will be held at National Quemoy University, Kinmen, Taiwan, from November 14-15, 2019. The main focus of the workshop will be on the novel proposal of techniques for Innovation Services and Applications for Cloud & IoT. This workshop intends to provide a forum for researchers to summarize the most recent developments in the field, with a particular focus given to the improvements and results.

The topics to be covered include, but are not limited to:

- Cloud & IoT Architecture and Models
- Cloud & IoT Enabling Technologies
- Cloud & IoT for Artificial Intelligence
- Cloud & IoT Application, Services, and Real Implementations
- Cloud & IoT Multimedia Societal Impacts
- Cloud & IoT Experimental Results and Deployment Scenarios
- Networking and Interoperability Issues for Cloud & IoT
- Reliability, Availability, Scalability Issues for Cloud, IoT, & related services
